Shelterbuilding, Firemaking

Stealth & Strategy Games
Ranger Skills Training

Passion-based Academics
Customized, Natural Learning

Small, Multi-age Classes

Perfect for Home Schoolers
or to enhance the Public School
experience.

Set in a mature forest five minutes east of Duvall, our programs offer children a strong foundation in outdoor exploration, creative expression, academics, personal growth and community.

At a time when fewer and fewer children play outside, educators like Richard Louv note how critical it is to sit, explore and play in the wild.

Available on a drop-in, part-time or full-time basis.
